## Lexington Child Development Center Family

May Your Christmas sparkle with moments of love, laughter & good will, have a special Christmas & Happy New Year

## Dear Family,

Happy Holidays to you and yours! Although a challenging year, we send season's greetings and lots of love as you celebrate this time of year.

Personally, I'd like to thank you for affording us the opportunity to nurture your "future explorers" this year.

It's certainly been a great time of learning and growing through the merge and transition of **Lexington Day School and Christine's Family Care** to which your patience and care is greatly appreciated. A special thanks to Mrs. Judy Arant for her generosity and in recognition for an amazing career. I feel truly blessed!

Our mission at Lexington Child Development Center is to provide high quality child development to families in Lexington and surrounding areas.

We offer a curriculum based and self-directed teaching styles that is based on each child's and classrooms needs, along with the touch of a mother's care for your little munchkins.

It is our goal to give your "future explorers" a lifelong love of learning and provide a feeling of community for all of our families.

Christine
