

# February-March Newsletter

## Recognition:

Thank you for your support during a challenging time last month. Our team appreciated your patience and understanding as we worked through the disruption to your normal routines. The outpour of love and appreciation was overwhelming. More importantly, everyone returned healthy and strong.

*"Our children are the priority. Change is the reality. Collaboration is the strategy."*

Valentine Party Was Awesome — We thank you so much for the contributions, support and recognition

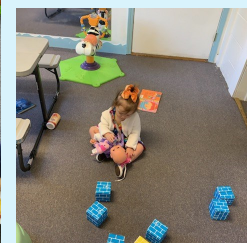

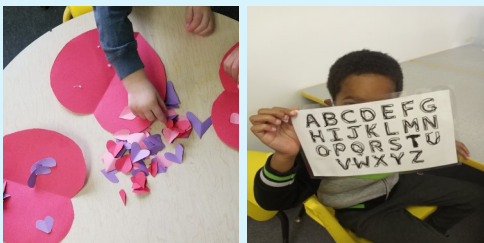

How it started—Click the Picture for Details

## News

Please join us in welcoming our newest care providers: Yolanda Curry and Audra Spencer to LCDC.

These team members bring varying experiences. Audra is currently attending Midlands Tech to earn her degree in Early Childhood Education. Yolanda, also a graduate of Midlands Tech in another discipline and has multiple years of experience in child care working in the Midlands.
